ABOUT ME

My name is Stathis Poullis, I am a Full Stack Developer with over 11 years of experience specializing in Web Applications and WordPress/WooCommerce. I have extensive experience with all stages of the development cycle for dynamic web projects, well-versed in numerous programming languages, including PHP, C++, Java, SQL and more.

I excel in creating custom-designed, stunning templates by combining HTML, JavaScript, and CSS with uniquely modified web content. With a strong background in project management and customer relations, I provide on-demand support 24/7 for any tech-related issues, always willing to assist.
